Proposal to Operate Guided Backpacking Trips for Youths within Grand Teton National Park

PROPOSAL SUBMISSION TERMS & CONDITIONS

- 1) The Offeror's Transmittal Letter set forth below indicates your acceptance of the terms and conditions of the concession opportunity as set forth in this Prospectus. It indicates your intention to comply with the terms and conditions of the Contract. The letter, submitted without alteration, must bear original signatures and be included in the Offeror's Proposal Package. The National Park Service (Service) will review the entire Proposal Package to determine whether your proposal in fact accepts without condition the terms and conditions of this Prospectus. If not, your proposal may be considered non-responsive, even though you submitted an unconditional Offeror's Transmittal Letter.
- 2) The Proposal Package is drafted upon the assumption that an Offeror is the same legal entity that will execute the new concession Contract as the Concessioner. If the entity that is to be the Concessioner is not in existence as of the time of submission of a proposal, the proposal must demonstrate that the individual(s) or organization(s) (hereinafter Offeror-Guarantor) that intends to establish the entity that will become the Concessioner has the ability and is legally obliged to cause the entity to be financially and managerially capable of carrying out the terms of the Contract. In addition, the Offeror-Guarantor must unconditionally state and guarantee in its proposal that the Offeror-Guarantor will provide the Concessioner with all funding, management, and other resources that the Draft Contract requires and the proposal offers.

PART B

Response Format

For the page limits set out in these Principal Selection Factors, please note that the Service will not review or consider the information on any pages that exceed the page limitation stated, including attachments, appendices or other additional materials the Offeror submits. The Service may consider relevant information contained elsewhere in a proposal in assessing the proposal's response to a particular selection factor. The Service considers text on two sides of one sheet of paper to be two pages. Offerors must use normal sized font, such as 11 or 12 point, and 1 inch margins on all sides. Tables, charts, graphs, provided forms, and copies of sample material must be in at least 9 point font. The Service would like to see clear and concise answers. A longer answer will not necessarily be considered a better answer. Please respond only with the information requested in the subfactors.

PRINCIPAL SELECTION FACTOR 1. THE RESPONSIVENESS OF THE PROPOSAL TO THE OBJECTIVES, AS DESCRIBED IN THE PROSPECTUS, OF PROTECTING, CONSERVING, AND PRESERVING RESOURCES OF THE PARK. (0-5 POINTS)

Service Objectives:

Guided backpacking and hiking activities in Grand Teton National Park often occur on lands which have been recommended as additions to the National Wilderness Preservation System. By Service policy, lands proposed or recommended to Congress for designation as wilderness are managed as wilderness until Congress accepts, modifies or rejects the recommendation. A component of wilderness as defined by the Wilderness Act has, "outstanding opportunities for solitude or a primitive and unconfined type of recreation." The Service's objective under this factor is for the Concessioner to conduct its operations in a manner that protects Area resources, including recommended wilderness areas, while providing participants the opportunity for solitude or a primitive and unconfined type of recreation; an additional component of this protection includes limiting human-wildlife interactions.

The minimum requirements for meeting these objectives are outlined in the Draft Contract and its exhibits, specifically the Draft Operating Plan. Please DO NOT summarize the Draft Operating Plan requirements. A better response will provide initiatives beyond the requirements of the Draft Operating Plan.

Subfactor 1(a). Wilderness Stewardship

Using not more than **7 pages, including all text, pictures, graphs etc.**, provide the following:

- The techniques and delivery methods you will use to educate participants on the Wilderness Act, wilderness values, and the best practices for limiting adverse impacts to the environment while recreating in recommended wilderness areas.
- A list of specific training courses or materials you will use to help educate trip leaders on the Wilderness Act, wilderness values, wilderness issues, and interpretive principles so they can effectively and accurately present information to participants.

Subfactor 1(b). Wildlife Interactions

Using not more than 5 pages, including all text, pictures, graphs etc., provide the following:

• The specific policies and procedures, beyond those required by the Draft Contract and its Exhibits, your trip leaders will utilize to reduce any potential stress to wildlife, and to ensure that animals do not have access to human food.

Notes to the Offerors: If citing measures, programs, practices, etc. being utilized in your current operation, please state if you commit to continuing these actions throughout the term of the new Contract. Note that any measures, programs, practices, etc., you offer may be incorporated into the final Operating Plan and therefore, they will become contract requirements. Do not offer measures, programs, practices, etc. you are unable or unwilling to implement.

PRINCIPAL SELECTION FACTOR 2. THE RESPONSIVENESS OF THE PROPOSAL TO THE OBJECTIVES, AS DESCRIBED IN THE PROSPECTUS, OF PROVIDING NECESSARY AND APPROPRIATE VISITOR SERVICES AT REASONABLE RATES. (0 - 5 POINTS)

Service Objectives:

The Service's objective is to ensure that Concessioners provide youth participants with a high-quality, safe, educational, and enjoyable experience.

Subfactor 2 (a). Quality of the Overall Participant Experience

The required and authorized services are for youth participants only, therefore must be tailored in all aspects to be age appropriate. Using no more than **10 pages, including all text, pictures, graphs etc.,** provide the following:

- The types of backpacking trips you will provide for youth participants (under the age of 21). Discuss pertinent aspects such as duration, route selection, group size, ages of participants within the same group, trip goals, and the ratio of trip leaders and other employees to participants.
- The educational activities and programs you will provide and how those programs will incorporate some or all of the Park's primary interpretive themes which include geology, human history, flora and fauna, the Greater Yellowstone Ecosystem, hazards in natural environments, etc. Detail on the Park's primary interpretive themes is included as an Appendix to this Prospectus.
- Any on-going training that you will provide for trip leaders and employees throughout the term of the Draft Contract specific to working with youth.
- How you will ensure the effectiveness and educational quality of your programs through evaluation of your staff, and through the collection and consideration of participant feedback.

Subfactor 2(b). Participant and Employee Safety

Using no more than **10 pages, including all text, pictures, graphs etc.,** identify specific goals, actions, steps, or programs you will implement, beyond those required by the Draft Contract and its Exhibits, to conduct your operations in a manner that will minimize risk to participants and employees by addressing the following:

- The specific proactive measures that you will undertake to reduce risk and promote safety, and how you will communicate safety information to participants. Include a discussion of management and trip leader's duties and responsibilities with respect to carrying out safety measures.
- The policies and procedures you will implement to reduce risk and promote safety for employees. Include any safety training you will provide to employees above that which is required by the Draft Contract and its Exhibits.
- The safety equipment that will be carried on each type of trip, your emergency procedures, and accident reporting protocol.

Notes to the Offerors: If citing measures, programs, practices, etc. being utilized in your current operation, please state if you commit to continuing these actions throughout the term of the new Contract. Note that any measures, programs, practices, etc., you offer may be incorporated into the final Operating Plan and therefore, they will become contract requirements. Do not offer measures, programs, practices, etc. you are unable or unwilling to implement.

PRINCIPAL SELECTION FACTOR 3. THE EXPERIENCE AND RELATED BACKGROUND OF THE OFFEROR, INCLUDING THE PAST PERFORMANCE AND EXPERTISE OF THE OFFEROR IN PROVIDING THE SAME OR SIMILAR VISITOR SERVICES AS THOSE TO BE PROVIDED UNDER THE CONCESSION CONTRACT. (0-5 POINTS)

Note to Offeror: To assist in the evaluation of proposals under this and other selection factors, provide the following information regarding the organizational structure of the business entity that will execute the Draft Contract. This organizational structure information will not be scored for selection purposes, but may be used for assessing responses to various selection factors. If the Offeror is not yet in existence, the Offeror-Guarantor should describe its own experience and explain how such experience will carry over to the Offeror entity.

The Service is aware that any business may receive the occasional notice of violation, penalty, fine, less than satisfactory public health rating, or similar regulatory notice from a federal, state, or local agency (hereinafter collectively referred to as "Infractions"). Describe the information in lines 8, 13, 15, 20 & 23 below:					

3) Provide a CURRENT (within the last six months) and complete **Business Credit Report with a**Credit Score in the name of the Offeror from a major credit reporting company such as Equifax,
Experian, TRW or Dun & Bradstreet. If the credit report includes negative information, provide a
narrative explanation.

Notes to Offeror and/or Offeror-Guarantor:

If you cannot obtain a Business Credit Report, submit Personal Credit Reports for each Offeror. For partnerships, submit a personal Credit Report for each general partner. <u>Corporations must submit a Business Credit Report.</u>

In the event the Offeror is not yet in existence, submit credit reports for each Offeror-Guarantor. Submit a Business Credit Report if the Offeror-Guarantor is a business entity. Submit a Personal Credit Report if the Offeror-Guarantor(s) is an individual.

<u>Subfactor 4(b)</u>. Demonstrate your proposal is financially viable and that you understand the financial obligations of the Draft Contract by providing the following:

1) Personal Property

Using **Table 5** below, list all currently owned personal property with monetary value equal to or exceeding \$1,000 that you will use for **your operations inside of the Park** and provide an estimate of its current value. <u>Unlike Subfactor 4a, do not include any personal property for your operations outside of the Park.</u>

Using **Table 5** below, list all of the personal property with monetary value equal to or exceeding \$1,000 that you intend to acquire to use for this.

2) Start-Up Costs

Estimate the start-up costs needed to begin operating the business (within the Park only) and use those estimates to complete the **Table 6** below. Only provide estimates for those items you need to acquire in order to begin operating. Do not include costs for items you already own. For working capital (cash), estimate the amount of cash you will need to have available after purchasing the other items (describe) in order to begin operating the business. For example, working capital would include salaries and rent you will pay before you generate income from the operations in the Park.

The total "Value of Personal Property Investment that will be Acquired Prior to Operation" that you listed in the previous table should be equal to the amount you list for Personal Property in this table.

3) Operating Projections

a) Based on the condition of your personal property provided or purchased for the operation, attach a list of items using **Table 7** that you will need to replace during the term of the Draft Contract. Include the anticipated year for the expenditure, the quantity of item(s) to be replaced, the description of the item(s), the approximate total value of the replacement, and how you plan to pay for the personal property replacement. (For example, cash, bank loan etc.).

If your projected expenditures for personal property investments exceeds \$1,000, provide an explanation of how you will fund the investment.

If you will not need to replace personal property during the term of the Draft Contract, explain your reasoning.

Add or remove rows for years as needed in **Table 7**.

- b) Demonstrate that your proposal is financially feasible and that you will have a reasonable opportunity to make a profit from your business while carrying out the terms and conditions of the Draft Contract by completing the following Prospective Income Statement, **Table 8**.
 - Estimate the amount of income and expenses for the proposed operation for the first year of operation. We included blank lines on the prospective income statement for your estimates for expense categories we did not list. Describe those categories on the blank lines.
 - Include only revenues and expenses related to the services <u>required and authorized</u> by the Draft Contract inside the Park. Do not include other services you may provide outside the Park.

Fully explain the assumptions on which you base your projections and provide sufficient details so we fully understand your assumptions. Provide revenue estimates by department, if applicable. If the projections show significantly increased revenues from the projections provided in the prospectus, provide a full explanation of the changes.

Note to Offeror: If you are not familiar with making these types of projections, you should consult an accountant or business advisor.

Additional Instructions for completing the Prospective Income Statement on the next page:

Line 1: You must base the revenue projections on the current NPS approved rate schedule. If

applicable, show revenues by departments.

Line 8a: Administrative and General includes the costs of managing the business and may include

items such as: credit card commissions; legal and accounting fees; travel; meals and entertainment; postage and printing; professional training; telecommunications expenses;

etc.

Include only revenues and expenses related to the services required and authorized by the Draft Contract **inside the park** in your prospective income statement. **Do not** include other services

you provide outside the park. This is **unlike** the Income Statement you provided in Subfactor 4(a).

Note to Offerors: The Service uses this information to verify that funds actually exist and will be available when you need them.

PRINCIPAL SELECTION FACTOR 5. THE AMOUNT OF THE PROPOSED MINIMUM FRANCHISE FEE AND OTHER FORMS OF FINANCIAL CONSIDERATION TO THE DIRECTOR. (0-4 POINTS)

The minimum franchise fee acceptable to the Service is three percent (3%) of gross receipts or a flat fee of \$1,000, whichever is greater.

The offer of a higher franchise fee than this minimum is generally beneficial to the Service and accordingly will generally result in a higher score under this selection factor. Consideration of revenue to the United States, however, is subordinate to the objectives of protecting, conserving, and preserving resources of the Area and of providing necessary and appropriate visitor services to the public at reasonable rates.

State the amount of franchise fee you propose. Such fee must at least equal the minimum franchise fee set forth above. Express this fee as a percentage of annual gross receipts. Do not propose a tiered franchise fee, e.g., 5% on the first \$10,000 of gross receipts, 6% on gross receipts between \$10,001 and \$25,000, 7% on gross receipts between \$25,001 and above.

_____ percent of annual gross receipts or a flat fee of \$1,000, whichever is greater.

SECONDARY SELECTION FACTOR

SECONDARY SELECTION FACTOR 1. THE QUALITY OF THE OFFEROR'S PROPOSAL TO CONDUCT ITS OPERATIONS IN A MANNER THAT FURTHERS THE PROTECTION, CONSERVATION. AND PRESERVATION OF THE PARK AND OTHER RESOURCES THROUGH ENVIRONMENTAL MANAGEMENT PROGRAMS AND ACTIVITIES, INCLUDING, WITHOUT LIMITATION, ENERGY CONSERVATION, WASTE REDUCTION, AND RECYCLING. (0-3 POINTS)

Subfactor 1(a). Environmental Stewardship and Resource Education

The Service is interested in having Concessioners demonstrate and communicate an environmental stewardship ethic to employees and program participants.

Using no more than **3 pages, including all text, pictures, graphs etc.,** describe how you will demonstrate and communicate an environmental stewardship ethic to employees and participants through employee training, environmental messaging, and through responsible environmental practices and programs in day-to-day operations, i.e. recycling, waste reduction, environmental purchasing, water and energy conservation, noise reduction, etc.

Notes to the Offerors: If citing measures, programs, practices, etc. being utilized in your current operation, please state if you commit to continuing these actions throughout the term of the new Contract. Also, please note that any measures, programs, practices, etc., you offer may be incorporated into the final Operating Plan and therefore, they will become contract requirements. Do not offer measures, programs, practices, etc. you are unable or unwilling to implement.
